JUDGMENT

Respondents 1 to 3 have filed an affidavit stating that all actions under law are being taken to implement my judgment. They also undertake that further steps also would be continued to be taken to see that the directions in my judgment are strictly implemented. This is recorded and the contempt case is closed. If the fourth respondent still continues with the nuisance, it would be open to the petitioner to approach respondents 1 to 3 and if no action is taken, it would be open to him to file a petition to revive this contempt case.

The contempt case is closed with the above directions.
